Watch Out For;

'The Art & Mural projects are ongoing and we intend to add to and develop the art trail as time goes by. We would like to encourage artists, local youths, community groups, schools, businesses and residents to get involved in order to put your stamp on the area.

To make it a great place to live, work and play and to be part of the city Art Trail.

· Like Art? like to work with a street artist? ·

Get involved : get in touch...

Have you got an idea for a mural or art project or have you got a wall or shutters you would like painted or could you sponsor an artist to work with local kids?'
